Dear Supervisors:

**APPROVAL OF AGREEMENT  
WITH AZUSA ROCK, INC. FOR THE USE OF A PORTION OF PARK LAND  
NORTH OF THE SANTA FE DAM RECREATION AREA  
(SUPERVISORIAL DISTRICT 1) (3 VOTES)**

**SUBJECT**

The recommended action will award a ten-year License Agreement with Azusa Rock, Inc., with one ten-year option and one eight-year option, for approximately 1,677 square feet within APN 8610-022-914, which is County park land that contains the San Gabriel River Trail north of the Santa Fe Dam Recreation Area, to be utilized for a conveyor belt system.

**IT IS RECOMMENDED THAT THE BOARD AFTER THE PUBLIC HEARING,**

1. Find that the approval of the License Agreement, pursuant to the requirements of Government Code Section 25526.6, is in the public interest and will not substantially conflict or interfere with the use of the property of the County of Los Angeles.
2. Approve and instruct the Director of the Department of Parks and Recreation, as agent of the County of Los Angeles, to execute a ten-year License Agreement, with two optional extensions, for a maximum total term of 28 years, with Azusa Rock, Inc., for the use of approximately 1,677 square feet within APN 8610-022-914, which is County park land that contains the San Gabriel River Trail north of the Santa Fe Dam Recreation Area, for the operation of a conveyor belt system.
3. Approve the compensation received from Azusa Rock, Inc., to be used for the San Gabriel River Trail. This complies with the Public Park Preservation Act of 1971, which requires that any

compensation received shall be used at the facility.

4. Authorize the Director of the Department of Parks and Recreation, as agent of the County of Los Angeles, to extend, suspend, terminate, or assign the License Agreement, if deemed necessary, in accordance with the approved terms and conditions of the License Agreement.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On November 15, 1994, the Board of Supervisors approved a ten-year agreement with one-ten year option with Azusa Rock, Inc. (Azusa Rock), for the construction and maintenance of a conveyor belt system for quarry operations in exchange for 875 tons of sand annually.

The purpose of the recommended actions will allow the Director of the Department of Parks and Recreation (Director), as agent of the County of Los Angeles (County), to execute a ten-year License Agreement (Agreement) that will allow Azusa Rock to continue to use approximately 1,677 square feet of County park land, which contains the San Gabriel River Trail north of the Santa Fe Dam Recreation Area (APN 8610-022-914), for the maintenance and operation of its conveyor belt system. The proposed Agreement includes \$11,000 annually with a 3.5 percent annual increase as consideration to be used for the San Gabriel River Trail in exchange for the continued use of the conveyor belt system by Azusa Rock.

#### **Implementation of Strategic Plan Goals**

The proposed Agreement will further the County's Strategic Plan Goal of Operational Effectiveness/Fiscal Sustainability (Goal 1) by maximizing the effectiveness of processes, structure, operations, and strong fiscal management to support timely delivery of customer-oriented and efficient public service.

#### **FISCAL IMPACT/FINANCING**

Pursuant to the terms of the proposed Agreement and the Public Park Preservation Act of 1971, Azusa Rock will provide \$11,000 for the first year with a 3.5 percent annual increase as consideration for the use of the San Gabriel River Trail. The proposed Agreement will result in additional estimated revenue of \$11,000 for Fiscal Year 2014-15, which will be deposited in the Department's Park Improvement Special Fund under a sub-fund designated for the exclusive use at the San Gabriel River Trail. If all extensions are exercised during the 28-year term of the Agreement, the consideration will increase to \$27,847.24 in the final year of the Agreement. Azusa Rock will be responsible for the maintenance and operation of the conveyor belt system.

#### **OPERATING BUDGET IMPACT**

There is no impact to the Department's Operating Budget.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

By the provision of Government Code Section 25526.6, the Board is authorized to grant licenses when the Board determines that it is in the public interest, and will not substantially conflict or interfere with the use of the property of the County.

Under the Public Park Preservation Act of 1971 (Act) (Public Resources Code Section 5400, et seq.),

the County may permit as much as ten percent of any park property, up to a maximum of one acre, to be used for non-park purposes. However, the Act also requires that the County receive replacement property and/or payment in exchange for the dedication of park property for a non-park purpose. The Act further stipulates that the County must expend any payments received to improve the non-acquired portion of the park land and facilities. The Board is required to conduct a public hearing upon the proposed use not less than 45 days after conspicuously posting due notice at the park. Such notice has been posted in compliance with Public Resources Code Section 5400, et seq. by an employee of the Department.

The recommended action and the Agreement meet the requirements of the Act. APN8610-022-914 is approximately nine acres. Azusa Rock will use approximately 1,677 square feet (0.038 acres), or approximately 0.4 percent, of the parcel.

The proposed Agreement contains terms and conditions supporting the Board's ordinances, policies, and programs, including, but not limited to: Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the Defaulted Property Tax Reduction Program, Los Angeles County Code 2.206; compliance with the County's Smoking Ban ordinance, Los Angeles County Code Title 17, Sections 17.04.185 through 17.04.650; compliance with the County's policy on restricting its purchase and use of expanded polystyrene containers; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Azusa Rock has executed the attached Agreement and will provide the required insurance policies prior to the start of this Agreement naming the County as additional insured.

County Counsel has approved the Agreement as to form.

## **ENVIRONMENTAL DOCUMENTATION**

On November 15, 1994, the Board adopted the Final Environmental Impact Report/Environmental Assessment and Final Supplementary Environmental Assessment/Finding of No Significant Impact for the ten-year agreement, with one ten-year option, with Azusa Rock for the construction and maintenance of a conveyor belt system.

## **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no impact on current public services.

All such material including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, appropriate documentation for voided transactions (including approval for the void), and proprietary data and information, shall be kept and maintained by the Licensee and shall be made available to the County during the term of this Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such

material shall be maintained by the Licensee at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Licensee shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.1 In the event that an audit of the Licensee is conducted specifically regarding this Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Licensee or otherwise, then the Licensee shall file a copy of such audit report with the County's Auditor-Controller within thirty days of the Licensee's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Agreement. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.2 Failure on the part of the Licensee to comply with any of the provisions of this Section 9.0 shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement.
- 8.3 If, at any time during the term of this Agreement or within five years after the expiration or termination of this Agreement, representatives of the County conduct an audit of the Licensee regarding the work performed under this Agreement, and if such audit finds that the County's dollar liability for any such work is less than the payments made by the County to the Licensee, then the difference shall be either: a) repaid by the Licensee to the County by cash payment upon demand, or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Licensee from the County, whether under this Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Licensee, then the difference shall be paid to the Licensee by the County by cash payment, provided that in no event shall the County's maximum obligation for this Agreement exceed the funds appropriated by the County for the purpose of this Agreement.

- 8.4 If the County notifies the Licensee that the Licensee did/does not, to the reasonable satisfaction of the County: (1) adequately maintain the documents required under Section 9.0 of this Agreement, and/or (2) did/does not have adequate internal controls, such that financial records could contain errors and/or omissions that would not be prevented and/or detected in the normal course of business, and/or (3) if the County is not able to reasonably determine whether the Licensee reported and paid the correct amount due to the County under this Agreement, then the County will assess penalties specified in this section upon the Licensee.
- 8.5 The parties hereby agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Licensee to meet the requirements of this section of this Agreement, and that a reasonable estimate of such damages shall range from: (1) 10% to 20% of the total gross receipts for the period of time that the County determines the Licensee did not meet the requirements under this section of this Agreement, and/or (2) termination of this Agreement, determined at the sole discretion of the County.
- 8.6 In the event the County hires an Independent Certified Public Accounting firm (CPA) to perform an audit of the Licensee's gross receipts and/or payments to the County, and if the CPA concludes that, due to inadequate records maintained by the Licensee, the CPA is unable to issue an unqualified opinion as to gross receipts for the Licensee, the CPA may employ alternative methods to impute rent for the period of inadequate records and calculate rent due. The CPA (or the County) may use the Licensee's gross receipts last audited (in which an unqualified audit opinion was expressed), inflated by the Consumer Price Index for All Urban Consumers for the Los Angeles, Riverside, and Orange County areas. Interest/late fees may also be separately applied. In addition, the County may require the Licensee to pay for the cost of the CPA's audit.
- 8.7 In the event the County and/or a CPA firm concludes that the Licensee under-reported Gross Receipts to the County, and that under-reporting is equal to

or greater than 5% of the current or previous year's Gross Receipts reported by the Licensee, as determined at the sole discretion of the County, the Licensee shall pay for the cost of the CPA's audit and/or the County's review (including County costs associated with the CPA's audit, such as monitoring the audit, etc.).

- 8.8 Licensee shall at all times during this Agreement period and for five years after the termination/expiration of this Agreement, keep, or cause to be kept, locally, to the reasonable satisfaction of the County, true, accurate, and complete records for all accounting years covered by this Agreement. Records will show all transactions relative to the conduct of operations, and be supported by data of original entry. Records shall detail transactions conducted on or from the demised premises separate and apart from those in connection with Licensee's other business operations, if any.
- 8.9 Licensee shall maintain a method of accounting which shall, to the satisfaction of the Auditor-Controller, correctly and accurately reflect the gross receipts and disbursements of Licensee in connection with the operation. The method of accounting, including bank accounts, established for said operation shall be separate from the accounting system used for any other business operated by Licensee or for recording Licensee's personal financial affairs. Such method shall include the keeping of the following documents:
- 8.9.1 Regular books of accounting such as general ledgers;
  - 8.9.2 Journals including any supporting and underlying documents such as vouchers, checks, tickets, bank statements, etc.;
  - 8.9.3 State and Federal income tax returns and sales tax returns and checks and other documents providing payment of sums shown which shall be kept in confidence by County;
  - 8.9.4 Cash register tapes (daily tapes may be separated but shall be retained so that from day to day the sales and/or rentals can be identified);

- 8.9.5 Any other accounting records that the Auditor-Controller deems necessary for proper reporting of receipts;
- 8.10 All documents, books and accounting records shall be open for inspection and re-inspection at any reasonable time during the term of this Agreement and for five (5) years thereafter. In addition, the County may from time to time conduct an audit and re-audit of the books and business conducted by Licensee and observe the operation of the business so that accuracy of the above records can be confirmed. All information obtained in connection with the County's inspection of records or audit shall be treated as confidential information and exempt from the public disclosure thereof to the extent permitted under the California Public Records Act.
- 8.11 In the event that an audit or review conducted by the Auditor-Controller and/or Director finds that, due to Licensee's non-compliance with its obligation to report gross receipts received in connection with its operations authorized herein, an actual loss and/or a projected loss of revenue to County can be determined, Director may, at his option, (1) bill Licensee for said losses, said amount to be paid to County within thirty (30) days following billing therefore unless otherwise specified by Director; and/or (2) use the Security Deposit as provided for herein; and/or, (3) assess liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Licensee to correctly report gross receipts, and a projected loss of revenue due to County. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is Two Hundred Fifty Dollars (\$250.00) per day for each day of the loss period as determined by County, and that the Licensee shall be liable to the County for liquidated damages in said amount.
- 8.12 Should the Director find that the additional rental payment due to County exceeds two percent (2%) of the total amount which should have been paid as determined by such review or audit and observation, and there being no reasonable basis for the failure to report and pay thereon, Licensee shall

also pay the cost of the audit as determined by County and pay any penalty heretofore provided for the delinquent payments

- 11.2 If County, in its sole discretion, elects to restore the demised premises, this Agreement shall continue in full force and effect, except that the payment to be made by Licensee shall be abated and/or other relief afforded to the extent that the Director may determine the damage and/or restoration interferes with the operation provided a claim therefore is filed with the Director within 100 days of notice of election to restore the demised premises. Any such claim shall be denied if the destruction of the demised premises is found by the Director, in his sole discretion, to have been caused by the fault or neglect of Licensee. The Licensee agrees to cooperate in the determination of the abatement and/or other relief to be provided by furnishing all information requested relative to the operation, and permitting examination and audit of all accounting records kept in connection with the conduct thereof.

- 11.5 The Licensee agrees to accept the remedy heretofore provided in the event of a destruction of the demised premises and/or the Park and hereby waives any and all additional rights and remedies for relief or compensation that are presently available or may hereafter be made available under the laws and statutes of this State.

**13.5 ILLEGAL ACTIVITIES**

Licensee shall not permit any illegal activities to be conducted upon the demised premises.

14.2.3 Action by the County to effectuate a cancellation and forfeiture of possession shall be without prejudice to the exercise of any other

rights provided herein or by law to remedy a breach of this Agreement.

14.2.4 In the event that, following service of the Notice of Cancellation of this Agreement under the provisions of this clause, it is determined for any reason that the Licensee was not in default under the provisions of this clause, that the default was excusable under provisions of this clause, or Licensee has, to the satisfaction of the Director, cured any default, the Director shall issue, within five business days, a rescission of the Notice of Cancellation, and the rights and obligations of the parties shall be the same as if the Notice of Cancellation had not been issued.

**14.3 COMPLIANCE WITH CIVIL RIGHTS LAW**

The parties agree that it would be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Licensee to comply with the obligations for use granted herein authorized and required. The parties hereby agree that under the current circumstances a reasonable estimate of such damage is \$250 per day for each day of the period of time that the deficiencies exist, and that Licensee shall be liable to County for liquidated damages in said amount.

Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. In addition, the Licensee's Operation Manager shall abstain from participating in any decision in which it has a financial interest. Abstention requires disclosure of the Licensee's Operation Manager interest and notation on the official record of the nature of the interest. Participation includes not only voting on, but also taking part in any discussion or analysis of the decision in which the Licensee's Operation Manager has any interest, financial or otherwise.

#### **14.10 COUNTY'S QUALITY ASSURANCE PLAN**

The County or its agent will evaluate Licensee's performance under this Agreement on not less than an annual basis. Such evaluation will include

assessing Licensee's compliance with all Agreement terms and performance standards. Licensee deficiencies that County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected, will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Licensee. If improvement does not occur consistent with the corrective action measures, the County may terminate this Agreement or impose other penalties as specified in this Agreement.

#### **14.12 TERMINATION FOR CONVENIENCE**

14.12.1 This Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County of Los Angeles Board of Supervisors, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Licensee specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than 180 days after the notice is sent.

14.12.2 After receipt of a notice of termination and except as otherwise directed by the County, the Licensee shall:

- Stop work under this Agreement on the date and to the extent specified in such notice; and
- Complete performance of such part of the work as shall not have been terminated by such notice.

14.12.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Licensee under this Agreement shall be maintained by the Licensee in accordance with Section 9.0, Record Retention & Inspection/Audit Settlement.

#### **14.13 TERMINATION FOR DEFAULT**

14.13.1 The County may, by written notice to the Licensee, terminate the whole or any part of this Agreement, in the following circumstances:

- a. The Licensee has materially breached this Agreement;

- b. The Licensee fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Agreement;
- c. The Licensee fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within five working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

14.13.2 Upon the occurrence of paragraph 15.13, this Agreement shall be subject to termination. As a condition precedent thereto, the Director shall give the Licensee a minimum of three days' notice by registered or certified mail or personal service of the date set for termination thereof; the grounds therefor; and that an opportunity to be heard thereon will be afforded on or before said termination date, if request is made therefor.

14.13.3 Notwithstanding the above, the Director, in his/her sole discretion, may refrain from recommending immediate termination of this Agreement for default if the Director, in his/her sole discretion, determines that the default is capable of being cured and (1) the Licensee cures its default within a five day period after notice is given, or (2) if the default cannot reasonably be cured within the five days after notice is given, the Licensee reasonably commences to cure its default within the five day period and diligently and in good faith continues to cure the default. If the Licensee fails to cure the default to the Director's satisfaction, the Director shall recommend termination for default to the Board of Supervisors.

14.13.4 In the event that the County terminates this Agreement in whole or in part as provided in this section, the County may procure, upon

such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. Any excess costs, as determined by the Director, arising therefrom over and above this Agreement sum may be charged against the Licensee. The Licensee shall continue the performance of this Agreement to the extent not terminated under the provisions of this Subparagraph.

14.13.5 Except with respect to defaults of any Subcontractor, the Licensee shall not be liable for any such excess costs of the type identified in this Section if its failure to perform under this Agreement arises out of causes beyond the control and without the fault or negligence of the Licensee. Such causes may include, but are not limited to: acts of God or of a public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Licensee. If the failure to perform is caused by the default of a Subcontractor, and without the fault or negligence of either of them, the Licensee shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Licensee to meet the required performance schedule. As used in this Section, the term "Subcontractor(s)" refer to Subcontractor(s) at any tier.

14.13.6 In the event the County terminates this Agreement in its entirety due to the Licensee's default as provided in Subsection 15.13.1, the Licensee and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to,

the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Licensee and the County agree that the County shall, at its sole option and in lieu of the provisions of section 15.5, be entitled to liquidated damages from the Licensee, pursuant to California Civil Code Section 1671, in the amount of \$5,000 or five percent of the applicable year's Agreement sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Licensee to the County by cash payment upon demand or, at the sole discretion of the Director, or designee, deducted from any amounts due to the Licensee by the County, whether under this Agreement or otherwise.

- These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Agreement, and the Licensee's payment of these liquidated damages shall not in any way change, or affect the provisions of Section 15.25, Indemnification.

14.13.7 In the event that, following service of the Notice of Termination of this Agreement under the provisions of this Section 15.13.7, it is determined for any reason that the Licensee was not in default under the provisions of this Subsection 15.13.7, that the default was excusable under provisions of this Subparagraph 15.13.7, or Licensee has, to the satisfaction of the Director, cured any default, the Director shall issue, within five business days, a rescission of the Notice of Termination, and the rights and obligations of the parties shall be the same as if the Notice of Termination had not been issued.

14.13.8 The rights and remedies of the County provided in this Section 16.13 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

**14.14 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE**

Failure of Licensee to maintain compliance with the requirements set for in Section 15.7, Licensee's Warranty Of Adherence To County's Child Support Compliance Program, shall constitute a default by Licensee under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure to cure such default within 90 days of notice by the Los Angeles County District Attorney shall be grounds upon which the county Board of Supervisors may terminate this Agreement pursuant to Section 15.2, Cancellation.

**14.15 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

Failure of Licensee to maintain compliance with the requirements set forth in Section 15.8, Licensee's Warranty of Compliance with County's Defaulted Property Tax Reduction Program, shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Licensee to cure such default with ten days of notice shall be ground upon which County may terminate this Agreement and/or pursue debarment of Licensee, pursuant to County Code Chapter 2.206.

**14.16 TERMINATION FOR IMPROPER CONSIDERATION**

14.16.1 County may, by written notice to Licensee, immediately terminate the right of Licensee to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Licensee, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Licensee's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Licensee as it could pursue in the event of default by the Licensee.

14.16.2 Licensee shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County Manager charged with the supervision of the employee or to the Auditor-Controller's Fraud Hotline at (800) 544-6861 or to such other number as may be provided to Licensee in writing by County.

14.16.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

#### **14.17 TERMINATION FOR INSOLVENCY**

14.17.1 The County may terminate this Agreement forthwith in the event of the occurrence of any of the following:

- To the extent permitted by law, the County may terminate this Agreement forthwith in the event of the occurrence of any of the following:
  - The filing of a voluntary or involuntary petition regarding the Licensee under the Federal Bankruptcy Code;

fully comply with the County Lobbyist Ordinance, Los Angeles County Code 2.160. #### **14.19 TERMINATION UPON TRANSFER OF TITLE OR PARK CLOSURE**

Upon the effective date of park closure, Licensee shall immediately cease its operations, and within 15 days therefrom remove all items of its personal property, equipment, and inventory. County shall provide advance notice to the Licensee of such park closure.

#### **14.20 SUSPENSION**

#### **14.22 FORCE MAJEURE; TIME EXTENSIONS**

14.22.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").

14.22.2 Notwithstanding the foregoing, a default by subcontractors of Licensee shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Licensee and such subcontractor, and without any fault or negligence of either of them. In such case, Licensee shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Licensee to meet the required performance schedule. As used in this subparagraph, the term subcontractor means subcontractors at any tier.

14.22.3 In the event Licensee's failure to perform arises out of a force majeure event, Licensee agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

- 14.32.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," the Licensee agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in any action or liability arising under the Public Records Act.

#### **14.33 RECYCLED BOND PAPER**

Consistent with the Board's policy to reduce the amount of solid waste deposited at the County landfills, the Licensee agrees to use recycled-content paper to the maximum extent possible on this Agreement.

#### **14.34 RIGHT OF ENTRY**

- 14.34.1 Any officers and/or authorized employees of the County may enter upon the demised premises at any and all times for the purpose of determining whether or not Licensee is complying with the terms and conditions hereof, or for any other purpose incidental to the rights of the County within the demised premises.
- 14.34.2 In the event of an abandonment, vacation or discontinuance of operations for a period in excess of two days, Licensee hereby irrevocably appoints County as an agent for continuing operation of the use granted herein, and in connection therewith authorizes the officers and employees thereof to (1) take possession of the demised premises, including all improvements, equipment and

inventory thereon; (2) remove any and all persons or property on said demised premises and place any such property in storage for the account of and at the expense of Licensee; (3) subcontract or sublease of the demised premises; and (4) after payment of all expenses of such subcontracting or sublicensing, apply all payments realized therefrom to the satisfaction and/or mitigation of all damages arising from Licensee's breach of this Agreement. Entry by the officers and employees of County upon the demised premises for the purpose of exercising the authority conferred hereon as agent of Licensee shall be without prejudice to the exercise of any other rights provided herein or by law to remedy a breach of this Agreement.

- 14.34.3 No re-entry or taking of the demised premises by County pursuant to Section 15.34.2 of this section shall be construed as an election to terminate this Agreement unless a written notice of such intention is given to Licensee or unless the termination thereof be decreed by a court of competent jurisdiction.

#### **14.35 SEVERABILITY**

If any provision of this Agreement is determined to be illegal, invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall not be affected thereby and shall remain in full force and effect.

#### **14.36 SUBLICENSES**

- 14.36.1 Licensee shall not, without the prior written consent of the Director, sublicense any portion of the Demised Premises, or sublicense any of the operation or activities authorized or required by this Agreement.
- 14.36.2 In the event the County determines that the Licensee has violated the sublicense provision contained herein, the same shall constitute a material breach of Agreement upon which the County may determine to cancel, terminate, or suspend this Agreement, and/or assess liquidated damages.

#### **14.37 SURRENDER OF DEMISED PREMISES**

14.37.1 Upon termination, expiration of the term hereof, or cancellation thereof as herein provided, Licensee shall peaceably vacate the demised premises and any and all improvements located thereon and deliver up the same to County in a reasonably good condition, ordinary wear and tear excepted, subject to the right of County to demand removal thereof to the extent that Subparagraph 15.34.2 hereinbefore may be applicable thereto.

14.37.2 Upon expiration of the term, Licensee shall execute and deliver to County within 30 days after service of written demand, a good and sufficient quitclaim deed of the Licensee's interest in this Agreement and the demised premises. Should Licensee fail or refuse to deliver to County a quitclaim deed as aforesaid, a written notice by County reciting the failure of the Licensee to execute and deliver the quitclaim deed shall, after ten days from the date of recordation of the notice, be conclusive evidence against Licensee and all persons claiming under Licensee, of the termination of this Agreement.

#### **14.38 TAXES AND ASSESSMENTS**

14.38.1 The property interest conveyed herein may be subject to real property taxation and/or assessment thereon, and in the event thereof, Licensee shall pay before delinquency all lawful taxes, including, but not limited to possessory interest taxes, assessments, fees or charges which at any time may be levied by the State, County, City or any other tax or assessment-levying body upon the demised premises and any improvements located thereon.

14.38.2 Licensee shall also pay all taxes, assessments, fees and charges on goods, merchandise, fixtures, appliances and equipment owned or used therein.

#### **14.39 TRANSFERS**

- 14.39.1 Licensee shall not, without written consent of the Director, transfer, assign, sublicense, hypothecate or mortgage this Agreement. Any attempted transfer, assignment, sublicense, hypothecation or mortgage without the written consent of the Director shall be null and void, and shall constitute a material breach of this Agreement.
- 14.39.2 Each and all of the provisions, agreements, terms, covenants and conditions herein contained to be performed by Licensee shall be binding upon any transferee thereof.
- 14.39.3 The use granted shall not be transferable by testamentary disposition or the State laws of interstate succession, as the rights, privileges, and use conferred by this Agreement shall terminate prior to the date for expiration thereof in the event of the death of Licensee occurring within the term herein provided. Additionally, neither this Agreement nor any interest therein shall be transferable in proceedings in attachment or execution against Licensee, or in voluntary or involuntary proceedings in bankruptcy or insolvency or receivership taken by or against Licensee, or by any process of law including proceedings under Chapter X or XI of the Bankruptcy Act.
- 14.39.4 Shareholders and/or partners of Licensee may transfer, sell, exchange, assign or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment or divestment is affected in such a way as to give majority control of Licensee to any persons, corporation, partnership or legal entity other than the majority controlling interest therein at the time of the execution of this Agreement, the Director's approval thereof shall be required. Consent to any such transfer shall be refused if the Director finds that the

transferee is lacking in experience and/or financial ability to conduct the operation of the Santa Fe Dam Recreation Area.

14.39.5 The prohibition herein contained shall not be applicable with respect to transfers of this Agreement arising from the exercise of a power of sale or judicial foreclosure pursuant to the terms and conditions of a hypothecation or mortgage previously approved by the Director.

14.39.6 In the event Licensee shall request the prior written consent of Director to give, assign, transfer or grant control of this Agreement, and Director gives written consent to the assignment, a transfer fee equal to 20% of the gross sales price shall be paid to County. Said sum shall be payable to County in full either within 30 days after said consent is given or prior to the close of any escrow, whichever occurs first. Prior to Director's consent to such assignment, the assignor shall first deliver to assignee a written schedule of all sums due and owing to County from the assignor with such schedule in a form subject to the approval of the Director in all respects, and second, shall deliver to Director, as part of the acceptance of the assignment, a written acknowledgment by the assignee that the assignee (a) affirms the sums due and owing to County and (b) accepts responsibility for payment of such sums directly to County. Exempted from said transfer fee shall be the following:

- a. A transfer of an undivided interest in the agreement between or among co-workers or affiliated entities which results in a change in method of holding title but does not result in a change to the proportional interests held by the co-owners or affiliated entities prior to the transfer;
- b. An assignment which serves as security for the repayment of a loan from any lender but which does not entitle the assignee to an immediate right to use, occupy, possess or receive the

rents or profits from the agreement for so long as the assignor makes the required periodic payments and complies with other provisions of the loan;

- c. A transfer of title of the agreement to a lender purchaser at the foreclosure sale under a deed of trust on the property or by assignment to the lender or its nominee in lieu of foreclosure;
- d. Such other assignment for which the Director determines that the ownership interests in this Agreement have remained unchanged, such as a change in the legal or fictitious name of the Licensee without any other change in the equity, in beneficial use of, or legal title to the agreement as an asset, or the income produced thereby. The Director's decision in such cases may be appealed to the Board of Supervisors within ten days after receipt of written notice of the Director's decision. Any such appeal request shall be accompanied by a Certificate of Deposit filed with the Director in the full amount of the transfer fee; the Certificate of Deposit shall be payable to County, and the interest thereon shall accumulate, but the principal sum and interest shall remain the property of Licensee in the event the Director's decision is reversed.

#### **14.40 VALIDITY**

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

#### **14.41 WAIVER**

14.41.1 Any waiver by County of any breach of any one or more of the covenants, conditions, terms and agreements herein contained shall not be construed to be a waiver of any subsequent or other breach of the same or of any other covenant, condition, term or

agreement herein contained, nor shall failure on the part of County to require exact, full and complete compliance with any of the covenants, conditions, terms or agreements herein contained be construed as in any manner changing the terms of this Agreement or stopping County from enforcing the full provisions thereof.

- 14.41.2 No delay, failure, or omission of County to re-enter the demised premises or to exercise any right, power, privilege or option, arising from any default, nor any subsequent acceptance of payments then or thereafter accrued shall impair any such right, power, privilege or option, or be construed as a waiver of or acquiescence in such default or as a relinquishment of any right.
- 14.41.3 No notice to Licensee shall be required to restore or revive "time of the essence" after the waiver by County of any default.
- 14.41.4 No option, right, power, remedy or privilege of County shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options and remedies given County by this Agreement shall be cumulative.

#### **14.42 WARRANTY AGAINST CONTINGENT FEES**

- 14.42.1 The Licensee warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Licensee for the purpose of securing business.
- 14.42.2 For breach of this warranty, the County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

## **15.0 COMPLIANCE WITH THE COUNTY'S SMOKING BAN ORDINANCE**

### **15.1 Smoking shall be prohibited at all parks, except:**

Smoking shall be permitted by actors who may be acting during a permitted production or by models during a permitted photography session, unless otherwise determined by the Director, in consultation with the applicable Fire Official.

## **16.0 USE OF EXPANDED POLYSTYRENE (EPS) FOOD CONTAINERS**

The Licensee is required to comply with the County's policy on restricting its purchase and use of EPS food containers on County-owned facilities.

## **17.0 CONTRACT ALERT REPORTING DATABASE**

The County maintains databases that track/monitor Licensee performance history. Information entered into such database may be used for a variety of purposes, including determining whether the County will exercise an agreement term extension option.

## **18.0 GREEN INITIATIVES**

Licensee shall use reasonable efforts to initiate "green" practices for environmental and energy conservation benefits. Licensee shall purchase, store, and use environmentally and human friendly products that are compatible with products used by County. County shall determine and approve Licensee's products prior to their use.

## **19.0 NON RESPONSIBILITY AND DEBARMENT**

### **19.1 RESPONSIBLE LICENSEE**

A responsible Licensee is a Licensee who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Agreement. It is the County's policy to conduct business only with responsible Licensees.

### **19.2 CHAPTER 2.202 OF THE COUNTY CODE**

The Licensee is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Licensee on this or other Agreements which indicates that the Licensee is not responsible, the County may, in addition to other

remedies provided in the Agreement, debar the Licensee from bidding or proposing on, or being awarded, and/or performing work on County agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing agreements the Licensee may have with the County.

### **19.3 NON-RESPONSIBLE LICENSEE**

The County may debar an Licensee if the Board of Supervisors finds, in its discretion, that the Licensee has done any of the following: (1) violated a term of an agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Licensee's quality, fitness or capacity to perform an agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

### **19.4 CONTRACTOR HEARING BOARD**

1. If there is evidence that the Licensee may be subject to debarment, the Department will notify the Licensee in writing of the evidence which is the basis for the proposed debarment and will advise the Licensee of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Licensee and/or the Licensee's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Licensee should be debarred, and, if so, the appropriate length of time of the debarment. The Licensee and the Department shall be provided an opportunity to object to the

tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Licensee has been debarred for a period longer than five years, that Licensee may after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Licensee has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Licensee has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review

decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

#### **19.5 SUBCONTRACTORS OF LICENSEE**

These terms shall also apply to Subcontractors of County Licensees.

This document and the Exhibit(s) attached hereto constitute the entire Agreement between County and Licensee for the use granted at the Santa Fe Dam Recreation Area. All other agreements, promises and representations with respect thereto, other than contained herein, are expressly revoked, as it has been the intention of the parties to provide for a complete integration within the provisions of this document, and the Exhibit(s) attached hereto, the terms, conditions, promises and covenants relating to the demised premises to be used in the conduct thereof. The unenforceability, invalidity, or illegality of any provision of this Agreement shall not render the other provisions thereof unenforceable, invalid or illegal.

## Notice 1015

(Rev. December 2013)

### Have You Told Your Employees About the Earned Income Credit (EIC)?

---

#### What is the EIC?

The EIC is a refundable tax credit for certain workers.

#### Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2013 are less than \$51,567 that he or she may be eligible for the EIC.

#### How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from [IRS.gov](http://IRS.gov) or by calling 1-800-829-3676.

#### How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

#### How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of \$800, he or she must file a 2013 tax return to get the \$800 refund.

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

[www.babysafela.org](http://www.babysafela.org)

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
